### A Letter To Me From Me

On the back of this paper go ahead and write yourself at least a two-paragraph long letter, making sure you cover everything that is listed below. Once you are finish, follow the instructions at the bottom of the document. This assignment is due 08/28/08 as you come in.

1. What type of clothing you have on today.
2. Your favorite song today.
3. Your favorite movie today.
4. Your boyfriend or girlfriend today, and why you like him or her.
5. Your biggest worry today.
6. Your best friend today, and why you like him or her.
7. Your plans after graduation, or if you are not graduating this school year, then your plans for next summer.
8. If you could live anywhere in the world, where would you live and why?
9. If you could change anything about the way the world is today, what would it be?
10. Of all the adults in your life, who is the adult your most admire and why?
11. Although it may change, what do you want to be when you grow up?
12. Wish yourself good luck for this school year, and then...

... fold the paper in half (one time only) with this side facing out, staple it (one staple only), and write your name, date, course, and class period. I will give this same letter back to you on the very last day of the school year so that you can see how much, if any you have changed during the school year.
